Since 2012, Bonnie has been applying her proprietary system -- **Regard the Scar, Reframe to Stop Blame, Respect and Connect, and Resolve to Evolve** to transform how leaders and employees transform their conflict style from divisive to collaborative in organizations such as Mitsubishi Electronic Power Products, Inc., Penco Products, Inc. and Elliott Group.

Bonnie's unique perspective on conflict resolution is the secret weapon top organizations turn to defuse conflict and create cultures that work in a profound and profitable way.

“Based on their family histories, the leaders in this book show us how to develop the interpersonal courage necessary for productive conflict which will ultimately result in healthier teams and more effective organizations.”
